Acceptance of Terms of Use

These Terms of Use govern your use of the Elk River Computer Club. By using the Elk River Computer Club, you accept and agree to be bound by these Terms of Use. If you do not agree to these Terms of Use, you should not join the Elk River Computer Club.

Privacy

Any information submitted on the Elk River Computer Club application is subject to our Privacy Policy, the terms of which are incorporated herein. Please review our Privacy Policy to understand our practices.

Membership and Billing

You can review the specific details regarding your membership with Elk River Computer Club at anytime during regular business hours.

Billing

As a member of Elk River Computer Club, you agree that we are permitted to charge your credit card or debit card a monthly membership fee and any other charges you may incur in connection with your use of Elk River Computer Club. The membership fee will be billed at the beginning of your membership and on each monthly renewal thereafter unless and until you cancel. We will automatically charge your credit card each month on the calendar day corresponding to the commencement of your membership. In the event your membership began on a day not contained in a given month, we will bill your credit card on the last day of such month. For example, if you became a member on January 31st, your card would be billed on February 28th. All fees and charges are nonrefundable. We may change the fees and charges in effect, or add new fees and charges from time to time, but we will give you advance notice of these changes by e-mail. If you want to use a different credit card or if there is a change in your credit card validity or expiration date, you will need to inform Elk River Computer Club management at least one week in advance of your billing date in order for the information to be processed and updated before that monthly scheduled billing date.

Automatic Renewals

Your Elk River Computer Club membership will be automatically renewed on a monthly basis. For your convenience, we will charge the monthly membership fee to the credit/debit card you provide to us during registration (or to a different credit card if you change your account information). Your membership will automatically renew for successive monthly membership without prior notice to you, unless and until you cancel your membership or we terminate it. You must cancel your membership before it renews in order to avoid billing of membership fees to your credit/debit card.

Cancellation

As noted above, you may cancel your membership to Elk River Computer Club at anytime. To cancel, contact Elk River Computer Club management prior to your scheduled billing date. We do not provide refunds or credits for any partial monthly membership periods. Upon cancellation, you will be given seven (7) days to return any outstanding movies. Failure to return such movies will result in your credit/debit card being billed for such items.

Account Access

In order to provide you with ease of access to your account, Elk River Computer Club will issue you an ID card with a bar code that identifies your account in the system. At registration, the "responsible party" may designate additional family members that will be allowed to check-out movies on that account. That information will be listed on the card. Your Elk River Computer Club card and photo ID will enable us to recognize you as a member and thus provide you with access to your account information. You are responsible for maintaining your account and restricting usage to yourself and/or selected family members.
